## Cancellation and financial policy

Dear Patient,

Montana Oral Surgery & Dental Implant Center has a very strict cancellation and no-show policy. Our office requires two business days to cancel or reschedule an appointment. If this policy isn't followed or a patient does not show up for their scheduled appointment we will not reappoint the patient at this office. Dental or medical conditions can be life threatening and we recommend seeking care with a specialist or return to your referring doctor for recommendations.

When we call insurance companies they provide us with an outline of your benefits and it is not a guarantee of payment. So please understand that your estimated out of pocket expense is just that an estimate. You may be balanced billed or refunded after insurance has processed your claim.

If the patient is responsible for any remaining balance due and if the balance remains we assign it to an agency.

I agree that if this account is not paid when due, and Montana Oral Surgery & Dental Implant Center should retain an attorney or collection agency for collection, I agree to pay all costs of collection including reasonable interest, reasonable attorneys fee (whether or not a lawsuit is filed) and reasonable collection agency fees in the amount of 50% of the balance due.
